

## DDN IntelliFlash™ Purchase Terms and Conditions

IntelliFlash by DDN, Inc.'s products and services include hardware equipment ("Hardware") and software in any form ("Software") (each and collectively "Product" or "Products"), support services ("Support Services"), and professional services ("Professional Services") (each and collectively "Service" or "Services").

The use of Products and Services by any person or entity ("Customer") is governed solely by this agreement (this "Agreement") which consists of: (i) the Quote (defined below); (ii) these Purchase Terms and Conditions; (iii) the End User License Agreement ("EULA"), the Limited Warranties, the End User Support Services Agreement, and the Professional Services Terms and Conditions, all of which are available at <https://www.intelliflash.io/support/> and are hereinafter collectively referred to as the "IntelliFlash Agreements," and (iv) any other end user license agreement or separate click-wrap agreement or terms in any Software installation or download. If there is a conflict among any of the foregoing, priority shall be given in order to the: Quote, Purchase Terms and Conditions, and the IntelliFlash Agreements. As used in this Agreement, "IntelliFlash" means IntelliFlash by DDN, INC., a Delaware corporation.

**1. ORDERING.** IntelliFlash may submit a quote to Customer containing quantity, pricing and other ordering information ("Quote"). Customer will be deemed to have accepted a Quote when Customer either: (i) signs and returns the Quote; (ii) issues a purchase order ("PO") per the Quote; or (iii) sends IntelliFlash an email or other written acceptance referring to the Quote. The foregoing is an "Order." Customer agrees that any terms and conditions inconsistent with or in addition to this Agreement, including without limitation any PO terms and conditions, are rejected and null and of no effect, even if IntelliFlash accepts, acknowledges or ships Products in response to the Order. Each Order is complete when IntelliFlash ships the Products, and for Software provided separately from Hardware when IntelliFlash makes the Software available.

**2. PAYMENT.** IntelliFlash will invoice Customer after the Order is complete, and Customer will pay the invoice and pay or reimburse IntelliFlash for all related taxes, withholdings, duties and assessments, except for taxes based on IntelliFlash's net income. Amounts are due in the currency stated in the Order, as applicable, in full thirty (30) days after the date of invoice, with interest accruing thereafter at the lesser of 1.5% per month or the maximum permitted by law. Payment shall be made free of any currency controls or other restrictions, by check or wire transfer, to the address or bank account designated by IntelliFlash. IntelliFlash may suspend shipments of Products or performance of Services if Customer fails to make payment when due. IntelliFlash reserves and Customer grants to IntelliFlash a purchase money security interest in the Products sold and the proceeds thereof until Customer has paid the invoice.

**3. SHIPMENT.** Shipping terms for orders placed with IntelliFlash are: (i) FCA (Incoterms 2010) origin; (ii) IntelliFlash will pre-pay and invoice freight to Customer per the applicable quote; and (iii) for shipments outside the United States, Customer is responsible for clearing the goods for import and paying all formalities, duties, taxes, and other charges upon import. Title for the hardware and risk of loss will pass to Customer upon delivery to the carrier at the point of origin. All scheduled shipment dates are estimates only and IntelliFlash shall not be obligated to incur any expedited delivery charges, and IntelliFlash is not liable for any loss or damage or penalty resulting from delay.

**4. SOFTWARE.** Software is licensed to Customer, not sold. Terms such as "sell" and "purchase" apply only to the extent the Products consist of Hardware items other than Software. By using any Software, Customer agrees to be bound by and abide by the terms of EULA and any other end user license agreement or separate click-wrap agreement or terms in any Software installation or download, as applicable. IntelliFlash grants Customer a limited, personal, non-sublicensable, non-transferable, non-exclusive license to use the Software only for Customer's internal use as part of the Product in which it is contained or for which it is provided and only in accordance with IntelliFlash's official documentation. Customer expressly acknowledges and agrees that Customer has no right to and Customer will not sell, transfer, or license any Software to any third party. This Agreement does not give Customer any rights not

expressly granted herein.

**5. SOFTWARE RESTRICTIONS.** Customer will not, nor permit anyone or any third party to, directly or indirectly: (i) copy (other than for back-up purposes), modify, or distribute the Software; (ii) reverse engineer, disassemble, decompile or otherwise attempt to discover the source code or structure of the Software (except to the extent the foregoing restriction is expressly prohibited by applicable local law); (iii) rent, lease, or use the Software for or in timesharing, service bureau purposes or application service provider purposes or otherwise on behalf of any third party; (iv) use, test or analyze the Software for comparison or competitive testing or “benchmarking” (except for Customer’s confidential internal purposes) or publish, disclose or disseminate the results thereof; (v) make available Software in any form to anyone other than Customer’s employees or contractors who agree in writing to be bound by terms at least as protective of the Software and IntelliFlash as those in this Agreement; or (vi) sublicense, assign, distribute, make available, pledge, lease, rent, share or otherwise transfer Software to an Affiliate or a third party. Customer will maintain and not remove or obscure any proprietary notices on the Software. As between Customer and IntelliFlash, title, ownership rights, and intellectual property rights in and to the Software, and any copies or portions thereof, shall remain with IntelliFlash and IntelliFlash’s suppliers or licensors. The Software is protected by copyright laws and treaties. The Software may be distributed with certain independent code that is licensed under the GNU General Public License (“GPL”), the GNU Library/Lesser General Public License (“LGPL”), the Apache License Version 2.0 (“Apache License”) and/or other open-source licenses (“Open-Source Code”).

**6. SERVICES.** Customer is not entitled to Services unless Customer has ordered and paid for Services as provided in the Order. IntelliFlash’s obligations with respect to Support Services and Professional Services are subject to these Purchase Terms and Conditions and the End User Support Services Agreement and/or the Professional Services Terms and Conditions, as applicable.

**7. LIMITED WARRANTIES; WARRANTY DISCLAIMER; AND LIMITATION OF LIABILITY.** INTELLIFLASH’S LIMITED WARRANTIES, WHICH INCLUDE INTELLIFLASH’S WARRANTY DISCLAIMER AND INTELLIFLASH’S LIMITATION OF LIABILITY MAY BE FOUND AT [HTTPS://WWW.INTELLIFLASH.IO/SUPPORT/](https://www.intelliflash.io/support/). THE LIMITED WARRANTIES ARE HEREBY INCORPORATED INTO AND MADE AN INTEGRAL PART OF THESE PURCHASE TERMS AND CONDITIONS.

**8. INDEMNIFICATION.** IntelliFlash will defend or settle any action brought against Customer by a third party to the extent it is based upon a third-party claim that a Product infringes any patent or copyright existing in the United States of America. IntelliFlash will pay any actual costs and damages made in a written settlement negotiated by IntelliFlash or awarded by a court of competent jurisdiction against Customer in final judgment resulting from the claim, provided Customer: (i) gives IntelliFlash prompt written notice of the claim; (ii) grants IntelliFlash sole control of the defense and settlement of the claim; (iii) cooperates in response to IntelliFlash’s requests for information, assistance and authority in connection with the foregoing; and (iv) and is not in breach of this Agreement. IntelliFlash will not be bound by any settlement Customer enters into without IntelliFlash’s prior written consent. IntelliFlash will have no obligation under this Section 8 to the extent any claim is based on negligent acts or willful misconduct by Customer or Customer’s employees or subcontractors. If the operation of a Product becomes, or IntelliFlash believes is likely to become, the subject of such a claim, Customer will permit IntelliFlash, at IntelliFlash’s option and expense, either to secure the right for Customer to continue using the Product or to replace or modify it so that it becomes non-infringing. However, if neither of the foregoing alternatives is available on terms which are reasonable in IntelliFlash’s judgment, Customer will return the Product upon IntelliFlash’s written request for a refund of the Product cost, depreciated on a straight-line basis over a period of thirty-six months, and the pre-paid and unused portion of any remaining term of Support Services for the returned Product. IntelliFlash shall have no liability or obligation to the extent that the alleged infringement arises out of or relates to: (i) the use or combination of a Product with third party products or services; (ii) use for a purpose or in a manner for which a Product was not designed or intended; (iii) any modification or alteration to a Product made by any person other than by or on behalf of IntelliFlash; (iv) any modifications or alterations to a Product made by IntelliFlash pursuant to Customer’s specific requests or instructions; (v) any technology owned

or licensed by Customer from third parties; or (vi) use of any older version of Software when use of a newer Software release made available to Customer would have avoided the infringement. THIS SECTION 8 STATES CUSTOMER'S SOLE AND EXCLUSIVE REMEDY AND INTELLIFLASH'S ENTIRE LIABILITY AND OBLIGATION FOR THIRD PARTY CLAIMS OF INFRINGEMENT BY THE PRODUCTS.

**9. U.S. GOVERNMENT RIGHTS.** The Software is “commercial computer software” as defined in the U.S. Federal Acquisition Regulations (“FAR”) at 2.101. If acquired by or on behalf of a civilian agency, the U.S. Government acquires this commercial computer software and/or commercial computer software documentation and other technical data subject to the terms of this Agreement as specified in 48 C.F.R. 12.212 (Computer Software) and 12.211 (Technical Data) of the “FAR” and its successors. (“DDN”), an affiliate of IntelliFlash, which may be found at DDN’s website and available upon request. Customer acknowledges and agrees that any feedback, suggestions, comments, improvements, modifications and other information (including any ideas, concepts, “know-how” or techniques contained therein) that Customer provides to IntelliFlash about its Products

or Services or their performance (collectively, the “Feedback”) shall not be deemed as Customer’s Confidential Information and may be used, disclosed, disseminated or published by IntelliFlash for any purpose, including developing, manufacturing and marketing products and services incorporating Feedback, without obligation of any kind to Customer, Customer waives any rights whatsoever in or to all Feedback.

**11. TERMINATION. BREACH.** Each party may terminate this Agreement if the other party breaches any material term of this Agreement and fails to cure such breach within thirty (30) days after receipt of written notice thereof. Upon termination of this Agreement: (i) Customer will promptly return to IntelliFlash all Confidential Information; and (ii) Customer will, within thirty (30) days after receipt of IntelliFlash’s invoice, pay all accrued and unpaid fees and expenses. The rights and obligations of the parties contained in Section 5 and Sections 7 through 15 (inclusive) will survive the termination of this Agreement.

**12. EXPORT COMPLIANCE.** Customer will comply with all export laws and regulations of the Applicable Law (as defined in Section 14, below), including without limitation of the U.S. Department of Commerce, the U.S. Department of Treasury Office of Foreign Assets Control, or other U.S. or foreign agency or authority, and Customer will not export, or allow the export or re-export of any Product in violation of any such laws or regulations. By installing or using any Product, Customer agrees to the foregoing and represents and warrants that Customer is not located in, under the control of, or a national or resident of any restricted country.

**13. RESELLER ORDERS.** If Customer orders from a IntelliFlash authorized reseller, Customer’s order is governed by Customer’s agreement with the reseller, and this Agreement does not apply to Customer, except that IntelliFlash’s obligations and liabilities are subject to the terms, conditions and limitations set forth in this Agreement.

This Agreement and any terms and documents incorporated herein by reference is the parties’ entire agreement relating to the subject matter hereof and supersedes all prior or contemporaneous oral or written communications, proposals, representations and warranties and prevails over any conflicting or additional terms of any communication between the parties relating to its subject matter. No modification to this Agreement will be binding unless in writing and signed by an authorized representative of each party. Any express waiver or failure to exercise promptly any right under this Agreement will not create a continuing waiver or any expectation of non-enforcement. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable. To the extent that any and all provisions of this Agreement shall exclude or limit any statutory liability which, according to mandatory provisions of Applicable Law cannot be contractually excluded or limited by mutual agreement of the parties, then such provision shall be given only such effect, if any, as is permitted by the Applicable Law. Neither party will be responsible for any failure or delay in its performance under this Agreement, excluding Customer’s payment obligations, due to causes beyond its reasonable control, including, but not limited to, any force majeure event, such as strikes, riots, insurrection, terrorism, fires, natural disasters, earthquakes, acts of God, war, governmental action, or any other cause which is beyond the reasonable control of such party.
